

## 2015-16 Agency Partners with Mission Statements – Campaign For Our Community

Updated 7/28/15

United Way's mission is to improve lives and build strong communities by uniting individuals and organizations with the will, passion, expertise, and resources needed to solve problems. Our promise is to change the odds so that all children and families, regardless of their circumstances, have the same chance to succeed in school and life. United Way of Salt Lake's Collective Impact approach to community problem solving requires broad cross-sector community collaboration around a specific set of goals and objectives to ensure that every child succeeds every step of the way, from cradle to career. United Way's vision and strategies builds public will, aligns programs and activities, establishes shared measurement, mobilizes funding, advances public policies, and engages volunteers to advance the education, income, and health of our neighborhoods and communities. You can GIVE, ADVOCATE, and VOLUNTEER. That's what it means to LIVE UNITED!
